

UX / UI design with ease

Digital experience / Interaction / User focused

Experience

Move Agency - Amsterdam

2023 - present

Responsible for overseeing a wide array of intricate UX/UI projects, ranging from international airport initiatives to those within the realm of private banking enterprises. The projects were primarily focused on app-based design solutions.

Figma Illustrator Spline Pitch Photoshop Midjourney

PuurPXL - Utrecht

2022 - 2023

Collaborating on diverse UX/UI projects within a team setting, spanning from brokerage platforms to exterior design companies, predominantly focused on web-based design solutions.

Figma Illustrator Photoshop

HelloFlex group

2020 - 2022

As a member of the marketing team, my primary role revolved around preserving the visual brand identity and crafting captivating web experiences for our diverse range of in-house brands.

Indesign Word Powerpoint Adobe Xd Photoshop Illustrator

HelloFlex group Internship

2020 - 2021

Working with the marketing team offered insights into the corporate dynamics and culture. Additionally, I contributed to design initiatives and supported UX/UI projects, gaining valuable multifaceted experience within the organization.
